

E - NEWS LETTER

Orientation on Monitoring and Evaluation

A 4 days Orientation was held at CHAI office Secundrabad from 31st October to 3rd November 2017. 20 staff members from Central Office and 5 Regional Program Officer from MPSSS, Delhi, Kerala, and West Bengal were part of the orientation. Orientation was held on Monitoring and Evaluation. As the project is in its new phase the staffs were oriented on effective monitoring and evaluation in respective area of work, so that proper implementation of the project can take place. Various queries of the staffs were addressed during the orientation.

Networking with organizations of par excellence

A two day's networking and linkage visit was done to the organizations with par excellence by Director-MPSSS on 6th and 7th November 2017, at Kerala. First day visit was made to Kerala Social Service Forum in Kottayam, where he also visited "CHAITANYA" one of the partners of KSSF and a leading self financed organization. Next day he visited Social Action Forum Irinjalakuda (SAFI) where MPSSS Director had discussion on micro finance ventures and other thematic areas of work.

A platform of Learning & Sharing with communities

PLD staff did monitoring visits to Satna from 7th to 9th November & 21st to 23rd November 2017 to Raisen District of Sagar. Zonal Coordinator of Central Zone Mr.Ramesh & 2 Program Officers from MPSSS were part of the visits. Objective of the visit was to visit the project implementation area to monitor the process & its impact on the community. First two days 9 villages of Satna & Sagar dioceses were visited this included interactions with the community. Communities shared information on work done for the village development. Voluntary actions of communities were real source of inspiration. Third day the entire team had a discussion on the observations of the field visits.

Awareness creation on Health

Two days awareness creation on health was done in the communities by Regional Health Coordinator of MPSSS from 16th to 17th November 2017. 2 villages Mayan Gaon and Lalpur of Satna Diocese were visited for acquainting the present health scenario. Visit brought out the reality that Mayan goan anganwadi was situated in other village which was far away from Mayan

hence, people were not getting the nutritious food which serve as health supplement for them. The intervention of RHC on linkage and networking with stakeholders played a great role and provided a platform to staffs of the DSSS.

Community Health Project scaled up for Third Phase

A winding up visit of Community Health Project was done with the 8 partners of the region. In Sagar, Banda & Shahgarh blocks were visited on 21st to 22nd November 2017 and to 5 centre of Chhattisgarh namely Bhilai, Bilaspur, Jashpur & Surguja on 27th to 2nd December 2017. The objective of the visit was to have meeting with the Volunteers and Coordinators working at the respective areas. Last phase final settlement of books of accounts took place all the documents being collected from the staffs.

Discussion was held on new phase of the community health program and extension details were discussed.

Capacity building on Financial Monitoring

Finance personnel of MISEREOR visited MPSSS, Bhopal on 28th and 29th November 2017. Ms. Jasmin Frick, Desk Officer, Financial Cooperation and Diogo Ferreira, Finance Consultant, MISEREOR were part of the visit from Germany. Objective of the meet was to have interaction on administration and financial aspects. First day meeting was held with MPSSS team in which clarity developed on the finance administration and queries were answered. On second day meeting was held with all the 9 DSSSs Directors and Finance In-charges at ANWC office. Overview of MISEREOR was provided by Mr. Diogo. Ms. Jasmin Frick enlightened the change of finance operation in details to the participants.

DISHA was held at Samaritans Satna

Quarterly Directors peer learning meeting was held at Satna on 30th November 2017. Majority of the DSSS Directors, MP Forum Director and Program Officer were part of the meeting. Discussions took place on various policy translations and its deadline for submission, explored on new proposals and also on instituting Internal Complain committee at every DSSS to address Workplace harassment.
